Education Celebration Schedule 2014-2015

All SV students and their families are invited to these educational and fun evening events that cover standards based, district supported curriculum. All dates are on Wednesdays from 6:00 to 8:00 p.m. Dinner, babysitting and Spanish interpreting services are provided. We want to make it as easy as possible for you to be an active part of your student's education!

Technology Night I • Wed. Sept. 10, 2014

An introduction to the technology used by the SV staff and students to increase effective communication and internet safety awareness.

* *Communication 101 - How can I learn about what's happening at school?* Infinite Campus, online parent newsletters, SV Website, School Connect App, Teacher email, etc.

* *Social Networking Sites* - What every parent should know when their students are socializing online.

* *Online Netiquette* - Using the Internet responsibly and safely!

Spooky Science • Wed. Oct. 15, 2014

With Halloween right around the corner, our science department has planned some spooky experiments to test on you (oops!) **for** you! Enjoy a fun evening as our teachers lead you through the investigative process and test some hypotheses with the whole family. Watch out for some creepy, crawly, surprises!

A Novel Idea! Reading & Writing in the Common Core • Wed. Nov. 19, 2014

C-E-L-E-B-R-A-T-E! Our English department members will help you dive into a good book as we host our 3rd Annual Book Exchange to kick off our celebration. Feel free to bring your favorite book* to exchange with other students, or win a book in a raffle. We'll discuss common obstacles faced by struggling readers, our Million Word Challenge, and how SV teachers use novels to guide and strengthen students' writing.

**Gently used or new books are acceptable!*

Technology Night II • Wed. Jan. 28, 2015

Google is great! Google is good, but Google is not always the best search engine for students to use. With the constant changes and updating of information on the web, this Education Celebration will help you and your students find reliable, credible websites.

* *Skip Google and Go to the Databases for Information*- Learn how to use these authoritative online resources the district provides

* *Free Ebooks and Apps*. -Having an online library on your electronic device with textbooks and SRC books

A Walk through History • Wed. Feb. 25, 2015

Travel through the centuries as our history department takes you on a tour of critical eras that have influenced our modern cultures using a Common Core style of approach.

Math Night • Wednesday, Mar. 18, 2015

Play math games and find ways to help your student practice math skills at home for better success at school. We'll also do have fun learning how to code for a variety of applications.
